*Ministry to God through prayer and worship.*

*Ministry to one another through caring discipleship.*

*Ministry to others by meeting needs and winning them to Christ.*

**Camp in The Community** is underway as I write this and so far it seems to be a rousing success. There is a good mix of children from our church as well as some new friends from the area. Everyone seems to be having a great time as well. If you have kids that are attending, you will likely get some excited firsthand accounts of some of their activities.

Having served as a Minister In Residence (MIR) at Camp Lookout and Camp Wesley Woods for years, I can attest to what a wonderful job CITC does to bring that experience to these young ones who might not have the opportunity to go to one of the residential camps. They are not getting the experience of sleeping away from home overnight in a tent or cabin, but I imagine that is just fine with some of them.

I hope this can become part of the regular ministries of Bookwalter UMC. Thank you to everyone who supported this effort by giving money, volunteering during the week, hosting a meal or housing some of the staff. It has been a group effort and I believe it has been well worth it. Please keep Camp In The Community in your prayers for the remainder of the week at Bookwalter, but also the rest of the summer as they continue to go to other churches across our Conference. *Steve*
