

Inaugural Third Sunday Sessions feat. Jeanine Fuller

We were thrilled to have Jeanine Fuller kick off our Third Sunday Sessions concert series this past Sunday. Fuller, a seasoned, versatile vocalist, songwriter & performer, delivered an engaging & soulful performance that left the audience feeling uplifted and inspired.

Fuller's performance included a mix of jazz, blues and gospel songs and featured her own original work. She also shared some personal stories about how music connects us, which resonated with the audience.

The Third Sunday Sessions concert series is a new initiative from BUMC's music ministry. The goal of the series is to provide a platform for talented musicians to share their gifts with the community, as well as raise support for the artists and the Music Ministry of BUMC.

We are so excited to launch the Third Sunday Sessions concert series. We believe that music has the power to bring people together and to inspire them. We hope that these concerts will be a source of joy and hope for our community.

The next Third Sunday Sessions concert will be held on July 16th at 3:00pm and will feature the music of our very own **Bailey Hueser and Todd Spangler**.

One thing you would like to see happen at Bookwalter in the future?
